## NEW ASSIGNMENTS

Effective February 22, 2010, Jacqueline White will move to the position of Deputy, Chief Executive Officer (DCEO) for the Public Safety Cluster, and Kathleen House will assume responsibilities as the Acting DCEO for the Children and Families' Well Being Cluster.

Ms. White has served as DCEO for the Children and Families' Well Being Cluster, and has substantial prior experience in management and budget for the Public Safety Cluster. Her prior knowledge of public safety initiatives will enable a seamless transition of multiple efforts underway with the Probation Department, the LA-RICS interoperable communications system, the Los Angeles County Gang Reduction Initiative, and the County's response to the anticipated release of state prisoners and parolees.

Ms. House has served as Senior Manager of the Chief Executive Officer's Service Integration Branch, credited with the administration of several successful homeless initiatives as well as countless multi-departmental and multi-jurisdictional programs that have improved the lives of children and their families. Kathy's collaborative style and tireless commitment will enable her to provide a seamless transition for several major initiatives underway in the Children and Families' Well Being Cluster including the Homeless Prevention Initiative, the 10,000 Jobs Initiative, and General Relief Redesign.

Please join with me in offering our support to both Jackie and Kathy as they assume responsibility for all matters relating to public safety and children and families' well being.
